

RTS-M Devens Storyboard

Implementing the one Army School system

RTS-M Devens executed a Mobile training team (MTT) deploying three (3) Instructors to Fort Drum to teach a ASI H8 Wheeled Vehicle Recovery Course in May to 12 Soldiers of the 2nd Brigade Combat Team (2 BCT), 10th Mountain Division who were set to deploy days after the course. This is the first time RTS-M Devens has worked with the 10th Mountain Division and the results were very productive. RTS-M Devens received high praise for their professionalism and knowledge. RTS-M Devens will execute an additional MTT ASI H8 course in August to the 10th SUS BDE. SFC Kyle, SFC Aparicio, and SFC Wheaton represented the unit in the highest professionalism and received high accolades from the 2nd BCT before their deployment.
